R. C. ABT RE-ELECTED A. B. C. PRESIDENT

S. Boyer Nelson Chosen Secretary
to Succeed L. O. Bright.

Robert C. Abt was again elected president of the Antioch Business Club at the annual election of officers held Friday night. Mr. Abt has been a very efficient executive and his re-election was unanimous. H. J. Vos succeeds W. R. Williams as vice-president.

S. Boyer Nelson was elected secretary and treasurer, these two offices having been combined. Mr. Nelson succeeds L. O. Bright, secretary, and George Bartlett treasurer.

The newly elected board of directors are: W. R. Williams, H. R. Adams, H. P. Lowry, F. R. King, Richard Macek, L. O. Bright and S. H. Reeves.

Why The Business Club.

Such an organization is impersonal and uncommercialized. It has no business of its own to bolster up. It is independent in purpose and design. It exists for and in behalf of a community. The membership is or ought to be the entire adult citizenry of the community. It is the executive of all those invisible interests and rights of a community which usually go untried for want of a proper corral. It is the source of business contact of one community with that of another. It is a disseminator of information so frequently needed by residents of a community and of strangers seeking advice and help. It is the great co-operator with the administrative officials of city, county, state and nation. It is the engine of life to every well organized group within the community limits.

NORTHERN ILLINOIS IS FAVORED REGION SAYS SPEAKER

"Northern Illinois may well be described as the country's 'center of gravity' in respect to industrial," said John G. Learned, Vice President of the Public Service Company of Northern Illinois, in addressing the Industrial Development Conference held in Waukegan, Tuesday afternoon, April 12, in connection with the Fifth District Conference of the Illinois Chamber of Commerce.

"New industries," continued Mr. Learned, "constantly are on the lookout for advantageous locations. There is no section of the country which has more to offer in the way of both natural facilities and those which have been developed than the territory north, west and south of Chicago."

After mentioning many of the factors which must be born in mind by communities in their efforts to obtain new industries, Mr. Learned devoted several minutes to emphasizing the importance of aiding in the developing and expansion of industries already established.

"We all recognize the importance," he said, "of doing our utmost to attract new manufacturing plants to the Northern Illinois territory. We must exercise care, however, that—in our zeal for the new—we do not neglect the old."

Millar's Orchestra At Trevor.
The Fred Semran American Legion Post has announced a dance to be given at Trevor, Wis., Saturday evening, April 16, the music to be by Freddie Millar's popular orchestra, of Woodstock.

The big dance of the season by the Semran Post will be on April 20, when the ex-service men give the opening dance at Carl S. Radomacher's, Twin Lakes Pavilion. For this dance the Legionnaires have secured the services of Frank Wallin's Har-mony Kings, of Waukegan, broadcasting stars who played for many months at the Madrid ballroom. A record crowd is expected at Twin Lakes, April 30.

Useful Citizen Is Called to Reward

Peter Laursen, President of Danish Society, Dies at Waukegan Monday.

Peter Laursen, 67, long a resident of this community and one of its most highly respected and useful citizens, died at the Victory Memorial hospital, Waukegan, Monday night at 9:45 o'clock.

Mr. Laursen had been in declining health for the past two years, and on Tuesday of last week he decided to go to the Waukegan clinic for examination and treatment. While there he was taken suddenly ill and was rushed to the hospital where everything possible was done to relieve his suffering.

Born in Denmark.

Peter Laursen was born in Denmark, March 15, 1860. On April 6, 1894, he was married to Nielsine Langvad. To this union ten children were born, seven of whom survive with the widowed mother—three sons, Thorvald, of Waukegan, Raymond, of Lake Bluff, Arthur, of Antioch, four daughters, Mrs. R. J. Borregard, of Waukegan, Mrs. Alma Fox, Mrs. Walter Hills, and Lillian all of Antioch. Three children have preceded him in death. Two brothers in Denmark, also survive.

President of Danish Lodge.

For 39 years a resident of this vicinity, Mr. Laursen became well and very favorably known. He was president of the Danish Lodge, and much credit is due him for the remarkable progress made by that organization during the past years.

Funeral Today.

Funeral services held this afternoon, from the home at 1:30 and from the church at 2 o'clock, with Rev. Krahel officiating. Burial was in Oakland cemetery.

HENNINGS' RECREATION PARLOR OPENED TUESDAY

A delightful time at bowling was reported at the opening Tuesday at C. E. Hennings' new recreation parlor in the Gollitzer building on Main street. Blind bowling for prizes was a feature at the opening of Mr. Hennings' new place of business. A fine fountain and refreshment stand has been installed, and it is thought the Recreation Parlor will be a very popular place in Antioch. LAKE COUNTY LEAGUE STARTS SEASON MAY 1

Ten Team League Will Play 18 Games for Trophy Cup.

The Lake county amateur baseball league, comprising ten teams in the county, will play the first games of the season on Sunday, May 1, it was announced today by Lulliver Lasco, manager of the local team, who has been one of the leaders in organizing the league.

Baseball has been in the wane in this locality for the past few years, probably due to the many counter attractions to be found in the lake region, and it has been a difficult matter to finance a salaried aggregation of ball players. The fact that players in the newly organized league are to play for love of the game, and not for pay, will do away with the annoying feature of the game, and the plan of amateur playing will do much to revive interest in the great national pastime in Lake county.

Will Play 18 Games.

The ten teams will play a regular schedule of 18 games during the season, all games to be played on Sundays, no holiday games being scheduled. The champions are to be awarded a trophy cup and many cash prizes donated by baseball enthusiasts. It is also planned to have a post season series to be played by the two teams having the highest average for the season.

The season schedule is to be arranged at a meeting Friday night at Waukegan, at which time final details of the league plan are to be worked out.

No Games for Antioch.

None of the league games will be played at Antioch, it has been decided, as no suitable baseball field is available. The old Antioch baseball field is being used for practice and tryouts and quite a number of aspirants for the team are reporting at each practice. The next practice will be on Sunday afternoon. All interested in baseball are invited.

Teams in the league are, Antioch, Avon, Round Lake, Kellar's Cartage Co., Slovak A. C., North Chicago, North Side Bombers, Waukegan, St. Mary's, Benson's Clothiers, Waukegan Postoffice and the Beach Community Club.

COMMUNITY SERVICE OF WORSHIP

Good Friday will be celebrated in Antioch in a most fitting manner. There is to be a Community service at the Episcopal Church at twelve o'clock high noon. The Episcopal choir will lead the procession singing "O Lord Christian Soldiers." The Methodist Church will be represented by the Male Quartette, who will sing "The Old Rugged Cross" to be followed by the congregation singing "In the Cross of Christ I Glory." The Reverend A. M. Krahel will preach the sermon, "The Meaning of the Cross." The raising of the cross in the church yard will climax the noon day services which will be followed by services in the respective churches.

NEAR CENTURIAN DIES AT WILMOT

William W. Winchell, 98, Succumb Early This Morning.

William Warren Winchell, Wil-mot, oldest inhabitant and perhaps the oldest resident of Kenosha county, died at 3 o'clock this morning following a few days critical illness. Last Nov. 24, Mr. Winchell celebrated his 95th birthday and seemed to be in excellent health at that time. His wife preceded him in death several years ago. The couple had celebrated their 75th wedding anniversary.

Funeral services will be held Saturday from the M. E. Church at Wil-mot at two o'clock. The Masonic Lodge will be in charge.

CLAIR KELLY MARRIED

Clair Kelly was married to Miss Lillian Shroback, of Chicago, Saturday, April 9, at the Church of Atone-ment, Rev. Kolkebeck, officiating. The couple will live at 2861 Leland avenue, Chicago.

It takes time to grow anything—even a business.

FAMOUS ORCHESTRA TO FEATURE OPENING OF ANTIOCH PALACE

"The Floridians," The Southland's Greatest, to Play Here April 23.

Richard Macek, builder of the Antioch Palace, has announced the engagement of "The Floridians," a versatile twelve piece orchestra, hailed as the Southland's greatest dance orchestra, to feature the opening of Northern Illinois' greatest recreation auditorium on Saturday, April 23. The Floridians are under the personal direction of Pupillo, Italian artist of great talent and Victor Giannotti, manager and pianist. This orchestra comes direct from a tour of the leading winter resorts in the state of Florida where they have been a sensation during the past season.

BUSINESS CLUB WAS WELL

REPRESENTED AT WAUKEGAN

Twenty-two members and friends of the A. B. C. journeyed to Waukegan last Tuesday evening to represent Antioch at the Fifth District Conference of the Illinois Chamber of Commerce. After enjoying a splendid dinner the visitors were introduced to Mr. J. Heber Hudson, Secretary of the Chamber, who immediately began to unfold stories and anecdotes until the entire assembly ached with laughter, each story relating to an experience he enjoyed traveling about this fair land of ours. The address of Mr. W. W. Geary, Sales Manager for Carson Pirie Scott Co., was as serious as was Mr. Hudson's jovial. He dwelt at length on the responsibility resting upon the store-keeper in all communities.

SINGERS COMING

TO ANTIOCH

Rarely does Antioch have the opportunity to hear such music as will be heard next Wednesday evening when the combined choir of Arlington Heights and Palatine Churches will visit Antioch to sing Maunder's masterpiece "Olivet to Calvary." The choir consists of 55 voices, directed by Mr. Hugh Aspinwall, known to many radio fans as "Hugh the Tenor," singing the old time melodies which bring a flood of letters of appreciation after each concert. The concert is free although a silver offering will be taken to offset part of the expense of bringing these folks here.

"STATEMENTS ARE MISLEADING," SAYS PEOPLE'S CANDIDATE

The statement that the People's Party, if elected, would immediately force the citizens of Antioch to pay for a park is without the least foundation in fact. No village board could do such a thing. If Antioch ever has a park it can be secured by the free gift of some citizen or group of citizens, or by a majority vote of the people. The present water and sewer systems, cement roads, and the much discussed "White Way," are example of the orderly working of the law governing public improvements in villages. When the citizens of Antioch petition for a park the Village Trustees may accept or reject the prayer of the petitioners. If accepted they must arrange for an election where the matter of securing a park site and the issuing of bonds will be decided by the voters. If both propositions receive a favorable majority the Board may carry out the wishes of the citizens. Any statement contrary to this orderly procedure is made in ignorance of the law or with intent to mislead voters who are not familiar with the facts.

Candidates Confident as Election Nears

Friends Of Municipal Band Say Measure Will Carry.

The municipal band proposal will go over the top. It will carry by a substantial majority.

This is the claim of friends and proponents of the municipal band proposal which goes to the voters at the election on April 19th. The proposal calls for a small levy of two mills for municipal band purposes.

"The municipal band proposal will go over the top flylog," say these friends of the band proposition. "People are talking about it on the streets and in the stores, and from the manner of their talk, it will go over by a substantial margin. A good live band made strong by municipal support is one of the best investments we can make in a community way, and we feel that every citizen who goes to the polls to vote for municipal candidates will also remember the band proposal and act accordingly."

The proposal will be found on the small ballot to be submitted to voters at Tuesday's election.

Candidates Confident.

The six candidates representing the People's party and a like number on the Independent side of the ballot to be voted Tuesday are going to the polls each serenely confident of victory. Numerous inquiries have failed to elicit any word of doubt on the part of any candidate as to his election. It must be said to the credit of the village, the candidates and their friends that the campaign has been clean. All are good friends.

"What are the best interests of Antioch?" seems to be the issue, and just here is where there seems to be a wide difference of opinion. The policies fostered by the two opposing parties are no doubt well known to voters who will be asked Tuesday to give their endorsement of one or the other set of candidates and what they stand for.

Don't fail to vote.

EASTER

Easter comes at a glad season of the year. The festival itself, is both commemorative of the resurrection of Jesus Christ and a memorial to the atonement wrought by the death of the Master upon the cross. It is hailed with great acclaim in all the Christian churches of the world. In Greek and Latin and in the languages derived from them, Easter was known as "Pascha," "Pasch," "Pasqua," "Pasqua," "Pasques," etc., from the Chaldee word "Pascha," the equivalent of the Hebrew "Pesach." The "Destroying Angel's act is recalled by the last name in "passing over" the households of the Hebrews when he smote the Egyptians, as disclosed in the twelfth chapter of Exodus.

This year Easter will fall on April 17. The way by which Easter is determined is that of the first Sunday after paschal full moon—the fourteenth day of the calendar moon, or the full moon which happens upon or next after March 21; and if the full moon happens on a Sunday, then Easter day is the first Sunday following.

As usual, Antioch churches will observe Easter with elaborate programs. It is an event that the children and the grown-ups have learned to look forward to with much pleasurable anticipation; it is an event all should remember with some beautiful thought for the day.

HIGH SCHOOL STUDENTS

PAVING BIDS TO BE OPENED APRIL 27

State Highway Department to Con-
cur With Village on Lake
Street Paving.

Sealed bids will be received for the construction of the improvement of portions of Lake, Harden and Victoria streets, consisting of grading, draining, curbing, paving and otherwise improving the same, by the Board of Local Improvements of the Village of Antioch until the 27th day of April at the hour of ten o'clock a. m. at the council chamber of the village hall, at which time and place the bids will be publicly opened, according to notices of "proposal for bids" published in another column of today's edition of the News.

All matters pertaining to the paving having been cleared in county court last Saturday, the village board met in special session Tuesday night to consider the proposition of advertising for bids. It was learned prior to the meeting Tuesday night, that the state highway department is to concur with the village board in letting the contract for the paving of Lake street, that portion of highway No. 59 within the village limits. Bids have already been received by the state for the 4:55 miles stretch from Grand avenue to the intersection at Lake street in Antioch. F. C. Peutz Company of Rochester, Ind., were low bidders on this piece of highway, their bid being approximately \$23,000 per mile.

School Directors Were Re-elected

A total of 75 votes were cast last Saturday at the annual school election for district 34, held at the grade school building from 2 to 4 o'clock, S. E. Pollock, for president received 67 votes, and for board members Mrs. Ethel Pesat received 69 votes and Mrs. Edna Warrior 60. As usual there were a few acat-
tering votes.

At the same hours Saturday an election was also being held at the high school building for the election of two members of the high school board of education. The two receiving the greatest number of votes were George White, 194 and A. N. Tiffany 183. Mr. White was running for the first time and Mr. Tiffany was up for re-election. Seven miscellaneous votes were found in the ballot box.

ALLENDALE WINS OPENING BASEBALL GAME

Allendale school baseball team won the opening game of their season by defeating Wauconda high school at Allendale on Saturday afternoon by a 12 to 8 score. Zvoda pitched the first four innings and allowed but two hits and striking out five batters. Villiak followed, but did not have to exert himself, on account of a three run lead given him at the beginning of the fourth inning.

ALL NEW CANDIDATES IN LAKE VILLA ELECTION

It's real work to keep incumbents in office at Lake Villa, say residents of our sister village to the south. Those who have tried office holding in Lake Villa, or a large majority of them at least, say "never again," so this year an entire new crop of candidates has been mustered for the village election next Tuesday. Wm. Bradley, present mayor, is not a candidate for re-election to that office.

The Independent party candidates are—For president, C. B. Dicks; for trustees (Three to elect) Chas. Madison, E. A. Wilton and C. H. Stratton; for police magistrate, Harriet M. Ballenger.

People's Party candidates—For President, Ruth E. Hussey; for trustees, B. J. Hooper and Paul R. Avery; for police magistrate, Ben S. Hadad. The People's side of the ballot is shy one candidate for trustee, as three are to be elected. A woman candidate for police magistrate adds a touch of novelty to the campaign.

ROBBER OUTWITTED BY UNHOOKED TELEPHONE

A hold-up man who forced his way into a room at the Ft. Dearborn Hotel in Chicago was outwitted by Mrs. William B. Holderman, of St. Louis, whose squirrel coat he was attempting to steal. Backing away from the intruder's pistol, Mrs. Holderman reached a small table and removed the receiver of the telephone from the hook, hoping that the telephone operator might overhear her conversation with the bandit. In this she was not mistaken for the operator overheard the bandit's command:

"Don't make a sound or a move or I'll shoot to kill."

The police were at once summoned, but in the meantime the holdup man noticed the telephone receiver was off the hook and made his escape. However, he was caught soon afterwards.

STUDEBAKER WINS SIX RECORDS

Culver City, Calif.—In one of the most remarkable and gruelling tests ever made with an automobile, a Studebaker Commander has just established six new speed and endurance records for fully equipped American made stock cars. The Contest Board of the American Automobile Association, whose representatives checked and observed the entire test, today announced the result of the run which completed April 5, at Culver City, Calif.

The Studebaker Commander covered 5000 miles in 4903 minutes, maintaining an average speed of 61.12 miles per hour. In establishing this record, The Commander also set four other records for American stock cars. A record for 2500 miles was set by elapsed time of 40 hours, 12 minutes and 54 seconds, an average speed of 62.16 miles per hour. In 50 elapsed hours, the car covered 3102 1/2 miles, setting an average of 62.05 miles per hour. At 3500 miles, the elapsed time equalled 66 hours, 47 minutes, 21 1/2 seconds, an average speed of 61.62 miles per hour. At the end of 72 hours elapsed time, the car had traveled 4414 miles at an average of 61.3 miles per hour. The completion of the run, 5000 miles, was made at 3.03 a. m., April 5. The elapsed time for this distance was 81 hours, 45 minutes, 22 seconds; the average speed, 61.12 miles per hour. No automobile or other vehicle in America has ever traveled so far, at such a terrific speed.

The total elapsed time included time for stopping for fuel, relief of drivers, etc. In view of this, the average speed of the car under actual running was far greater than 4 miles a minute. Except for one punctured tire, the replacement of a grease cup and two chassis lubrication cups damaged in quick greasing

operations, no repairs were made on the car during the entire run.

Harry Hartz, champion race driver, started and finished the run. He was relieved by Eddie Hearn, also one of America's great speed king's Louis Wilson, another race driver, and Ab Jenkins, who smashed all previous records last June when he drove a Studebaker Sheriff from New York to San Francisco in 86 hours, 29 minutes.

According to observers, 5000 miles at a mile a minute clip is equivalent in strain and stress to 25000 miles of ordinary driving. To demonstrate the splendid running condition of the Studebaker car, Hartz drove it around the mile and a quarter Culver City track several times at 70 miles an hour after the completion of the five thousandth mile.

Methodist Notes

Palm Sunday was a happy time
for Christian folks who attended
the service at the Methodist Episc-
opal Church last Sunday. Mrs. W.
F. Ziegler was at her best, render-
ing that wonderful organ composi-
tion, "The Palm." Mrs. Bachmeier
sang a solo which bespoke of the
nearness of the Master.

The evening service held a very
special treat. Mrs. L. R. Watson
read Kingsley "The Man who open-
ed Eyes," which was a sermon in
itself.

Next Sunday will witness one of
the greatest days in the calendar of
the church, Easter. The church has
arranged a very beautiful service of
worship with special music and
prayer. The reception of members
and the confirming of youth will
complete the service. The floral
committee are busily engaged pre-
paring the church for the festive
day. This will be a service long to
be remembered. Come and worship
with us.

Christ the Lord has risen for you,
Bless His name, within the Temple.
The entire community will want to
be present on Wednesday of next
week when the combined choir of
Arlington Heights and Palatine will
sing Maunder's, "From Olivet to
Calvary." 55 voices are expected.

Two Improved, Finer Sixes
More Luxurious—even Greater Power

Engineering Leadership enthusiastically endorsed

NEVER was the trend toward the
Willys-Knight Six more pro-
nounced than it is today. At every
Automobile Show—at all leading
metropolitan centers throughout the
country—these two finer sixes have
won enthusiastic praise wherever they
were shown.

Experienced motorists have learned
that in flexibility—acceleration—
climbing power—economy—long life
—and low depreciation—this type of
car is without a rival.

And they have found in these finer
cars a superiority of coachwork and
luxury of interior that are unsurpassed
in the fine car field.

Judged solely from the standpoint of
performance, beauty and long life no
other type of car compares to the
Willys-Knight. But in addition you
must also consider this combination

of advantages that means so much to
the comfort, pleasure and security of
present-day motoring:

Oil rectifier prevents crank-
case dilution • Thermostatic
temperature control • Ex-
ceptionally effective four-
wheel brakes • Bellflex Shack-

riding qualities and silence
chassis • Shock absorbers •
Narrow front corner posts •

Union Free High School

One hundred per cent cooperation seems to be the byword of members of the Senior Class in preparation for their class play. A business like atmosphere prevails in rehearsal and advancement is steadily being made. The play is perhaps as difficult a play as has ever been staged in the local gymnasium. The stage setting is at a seashore, and an essential feature of it is a seaside cottage. While the stage is small for such a setting, it is expected that a creditable scene will be made.

The play is filled with a clean wholesome philosophy and delightful comedy centered largely around a millionaire, a tramp, and several would be friends of the millionaire. Nicholas Small, the millionaire part will be filled by Fred Forster, Jack Dunbar, the tramp, by Charles Jurevick, and MacAndrews, the comic part of a rustic gardener, by Don Tyler. The rest of the cast is as follows: Dick, brother of Jack Dunbar—Lyle McDougall; Jack Small, Gladys Butten; Gillen Jolyon—William Flegel; Mrs. Jolyon—Ruth Barber; Augustus Jolyon—Leo Letting; Dinmore Bevan—Lawrence Stenck; Newton Cole—Eugene Frank; Walter Yates—Florence Dalton; Julia Yates—Grace Sutcliffe; Mrs. MacAndrews—Alice Randall.

Students whose names appear on the Special Honor Roll for the first six weeks are: Ruth Barber, Gladys Butten, Bernice Harm, Ayce Hahn, Gordon Dix, Deane Loftus, and Lola Hart. Honor roll students are: Eugene Frank, Charles Jurevick, Leo Letting, Wyntona Haggerty, Frances Reynolds, Emerson Schambel, Mary Daly and Cecilia Kocal.

Mural Centuries Ago

Archaeologists have found in southern Europe evidences of the first mural decorations, dating back, according to their compilations, to the Sixth and Eighth centuries B. C. These decorations were crude paintings on the walls of these primitive living abodes and depicted, for the most part, the live game on which these early people depended for food.

Priceless Oil Painting

The oldest oil painting to exist today, says the Market for Exchange, is believed to be one of the Madonna and Child marked with the date DCCCXXXVI, which in Arabic numerals is 836, or about the time of Charlemagne. "The Voice Returned"

THE "Great Blizzard" of 1888 had blocked railway traffic and disrupted mail and telegraph service. Through the drift-piled streets of Boston groups of men and women made their way to the public telephone stations, anxiously inquiring whether the long distance lines to New York were still in service.

"People did not want a message, they wanted to talk," runs a contemporary story. "They wanted to find out where the other party was, if he was alive, indeed, ***** It was the voice returned, the personal interview, that was especially valuable."

A telephone conversation is the meeting of mind with mind, heart with heart. Today there are no limits of distance to the interchange of thought that binds all parts of the country together. Created in response to America's needs, a network of 50,000,000 miles of wire has given nation-wide scope to the "voice returned."
